Nissan Intelligent Choice Pledges

WELCOME TO NISSAN INTELLIGENT CHOICE, THE HOME OF NISSAN USED CARS
When it comes to buying a used Nissan, no one knows them better than us. Only we truly understand how a Nissan should look, behave and be serviced.

That's why when you choose a Nissan Intelligent Choice vehicle, not only do you benefit from a vehicle that's less than 7 years old and has covered less than 75,000 miles, you also benefit from our Nissan Intelligent Choice promise, which offers you complete peace of mind throughout your ownership.

REASSURING WARRANTY

Minimum 12 months' manufacturer-approved warranty.

To give you further peace of mind, every Nissan Intelligent Choice car comes with a manufacturer-approved warranty for a minimum of 12 months with an option to upgrade to a further 12 or 24 months for even greater worry free motoring. All you have to do is ensure that your vehicle is serviced in accordance with manufacturer requirements. As an additional benefit, if the vehicle is more than 2 years old at the time of sale, MOT Care is also included which covers the cost of repairing, replacing or adjusting specific defective parts in the unlikely event that your car doesn't pass its next MOT.

OBSESSIVE CHECKS

Independent vehicle history check and obsessive multi-point inspection.

Every Nissan Intelligent Choice vehicle has been obsessively checked by Nissan trained technicians to ensure it meets our own exceptionally high standards. In addition, you can trust where the vehicle has come from and its past, because detailed checks by an independent company ensure it's not stolen, that there's no outstanding finance, has never been written off and that the Vehicle Identification Number (VIN) corresponds to DVLA records. And then and only then can it become Nissan Intelligent Choice.

EXCHANGE PROMISE

30 day/1,000-mile exchange promise.

Nissan engineers will have made every effort to ensure your vehicle looks, feels and drives as good as new. In fact, we're so confident, we'll offer you a 30 day/1,000-mile exchange promise. This means in the unlikely event that the vehicle develops a fault, which cannot be resolved within the mileage and timeframe, we'll exchange it for another vehicle of at least equal value.
